

MENTAL WELL-BEING OF YOUNG PEOPLE

# AWARENESS AND EDUCATION CAMPAIGNS/INITIATIVES

9 OCTOBER 2024

14.30 - 16.00 CET

ONLINE

ENG

*This webinar will present inspiring initiatives and campaigns from Sweden and Italy aimed at promoting active listening to young people and combating mental health stigma among youth. The discussion will explore school-based suicide prevention strategies, highlight key initiatives, and address the major challenges faced in promoting mental health awareness and support for young people.*
